Dear Mayor Cookendorfer:

You recently received a letter from the South Carolina Department of Transportation (SCDOT) regarding the closure and detour of US 21 over Big Wateree Creek in Fairfield County.

This closure was scheduled to begin January 8, 2024; however, due to supply chain issues, this date has been changed to January 29, 2024. The estimated duration of the closure is 21 days.

As a reminder, the road will be closed at the bridge site and traffic will be detoured. The detour route will utilize SC 200, I-77, SC 34 and Coleman Highway (US 21 Con). The net detour length is approximately 28.6 miles. A map showing the detour is enclosed for your convenience.
