A Clean Sweep for Spring! Earth Day April 22, 2015

The physical appearance of a town is marked by the cleanliness and care of streets, sidewalks, public buildings and private businesses and residences. We always want to have great curb appeal for those who visit our Town and those who choose to live here. We only have one chance to make a first, good impression. Spring is here and it is time to do some cleaning in the Town of Ridgeway. Town employees as well as volunteers from the community such as the Church of The Latter Day Saints will be cleaning up Ridgeway on Saturday, April 11, 2015.

We are asking all citizens to do your part by honoring all town ordinances regarding tall grass, limbs, rodents, and litter. Owners of abandoned and dilapidated houses should repair or demolish them. Animals should be kept within a closed area and on a leash and their by-products picked up when walking through the downtown area. Help us to make Ridgeway one of the cleanest and most attractive towns in South Carolina and responsible keepers of our good earth.

Community Garden

Citizens who may be interested in helping create a Community Garden, please contact Councilman Heath Cookendorfer at 803-381-6881.
