#### If Cities Mean Business, then Ridgeway is En Business, Entrepreneurial Business

Our newest business, [Branham’s Barbeque Station](#), Dogwood Avenue, opened, June 16, 2016 serving the South’s staple, barbecue. Join them for good food and fellowship. Hours of operation are Thursday – Saturday 11-2 p.m. and 5-9 p.m.

Welcome to another new business in Town, [A Artisan Studio](#) located at the end of Olde Town Hall Restaurant. The business is operated by Benira Stupin and features jewelry creations. The store is open on Saturdays from 11-3pm.

A salute to [Whispering Willows](#) and owners Bob and Grace Prichard, who were the featured article in [CIU Today](#). The Prichard’s were touted for their vision to “build a place of respite where many have the opportunity to reflect on what God has done and is doing in their lives. I stay in the quaint town of Ridgeway, and God just brings the world to me, says Grace.”

Our thanks to [Emma & Lillie’s Cottage Goods](#) and [Yoshua’s](#) for their time of service as businesses in our community.

#### Minis take the USA

Join the Town of Ridgeway as we welcome 650 Mini Coopers to our community on Saturday, July 9, 2016 from 3:00 – 4:00 p.m. They will be making a quick sojourn in Ridgeway as they travel from Atlanta to Charleston then up the east coast, across the Midwest, west coast and then back down South. Carol Allen of Laura’s Tea Room/ Thomas Company Store will be supplying sweet tea for the travelers. Let’s show our hospitality by celebrating their visit to our Town.
